response exercises.**

Course Dates

**Fremantle
October 26-29**

**Geelong
November 23-26**

Course Fee (incl GST):

**\$3,100 (Fremantle)
\$3,000 (Geelong)**

The **Course in Oil Spill Response Management (IMO II equivalent)** provides participants with the knowledge and skills required to contribute to the management and coordination of oil spill response activities.

Designed for **industry personnel involved in an organisation's Incident Management Team (IMT)**, including personnel with management experience or team working skills at a supervisory level.

The course offers practical and theoretical opportunities to develop skills and knowledge in the following:

- Fundamentals of oil spill response,
- Roles and responsibilities of Incident Management Team Functions - (Planning, Operations, Logistics, Finance & Administration).
- Working within a multi-agency, cross-jurisdictional oil spill team,
- Development and implementation of incident action plans, and
- Utilise oil pollution emergency plans to identify, analyse and evaluate information to select, locate and coordinate oil spill response strategies, equipment and other resources.

This course is accredited by the Nautical Institute as an IMO Level 2 equivalent course.

For more information or to discuss customised training options, contact Jessica Miller, AMOSC Deputy General Manager | Preparedness – jmiller@amosc.com.au.
