

Joining Instructions: Blended - Course in Oil Spill Response Command and Control (IMO III Equivalent) - 2022

Welcome to your BLENDED Course in Oil Spill Response Command & Control (IMO III equivalent).

The following information includes detail on how to complete Part 1 of your course via our online learning portal and participate in Part 2 face-to-face at our Fremantle training facility.

Introduction

The Course in Oil Spill Response Command & Control has been designed to meet the needs of member companies who have identified senior staff members as potential incident controllers of oil spill response incident management teams.

The course provides a practical and theoretical grounding in key oil spill response incident management techniques and applies these learnings through intensive functional desktop exercises that simulate an incident management team environment.

Audience	Senior industry or government personnel who may be required to fulfil the role of an Incident Controller for marine oil spill response. Experienced emergency managers from other disciplines; aspiring incident controllers with strong oil industry or oil spill response knowledge.
Aim	To train and qualify personnel for potential appointment as Oil Spill Incident Controllers.
Objectives	<ol style="list-style-type: none"> 1. Work within relevant legislation and guiding frameworks including OHS, the intergovernmental agreement and relevant contingency plans. 2. Identify characteristics of and assess oil spills, implement appropriate initial actions and identify and make appropriate notifications. 3. Implement appropriate initial actions and identify and make appropriate notifications in the case of an oil spill. 4. Apply knowledge of a set range of oil spill response strategies to identify appropriate response. 5. Apply knowledge to identify appropriate oil spill response equipment. 6. Record, communicate and distribute oil incident response information within the structured environment of an incident control centre. 7. Develop appropriate oil spill response strategies taking account of social-economic, environmental and insurance considerations. 8. Lead a multi-agency oil spill management team to develop and implement ongoing response 9. Monitor and evaluate the effectiveness of oil spill response strategies and implement alternate strategies if necessary.

	<p>10. Communicate technical details of an oil spill response to stakeholders including government and media</p> <p>11. Make decisions under pressure of changing situations and timeframes.</p>
<p>Course Structure</p> <p>Part 1</p> <p>Part 2</p>	<p>Your BLENDED course will be delivered in two parts;</p> <p>Self-paced eLearning (approx. 8-10hrs) through our Learning Management System – modules cover the fundamentals of oil spill response and a virtual warehouse tour.</p> <p>Classroom (2x face-to-face days)</p> <p>Day 1; Theory/Practical - Oil spill response critical areas which includes oiled wildlife response, waste management, media and communications, liabilities claims and compensation, developing and incident action plan, health and safety.</p> <p>Day 2; Scenario simulations - real-time oil spill response simulations, utilising an Oil Pollution Emergency Plan. Focuses on initial actions, gaining and maintaining situational awareness, selecting appropriate spill response strategies and supporting equipment, as well as consideration of health and safety, communications and waste management.</p>
Assessment	Your BLENDED course is competency-based and includes assessment throughout each of the elements outlined above.

Course Administration

Part 1	<p>Self-paced eLearning: You will receive a unique login (via a separate email) for our online learning portal. You will have access to the portal for 5 business days to complete your eLearning.</p> <p>You are required to complete the following Learning Units;</p> <p>Course Introduction Unit 1 – Response Preparedness Unit 2 – Initial Assessment Unit 3 - Response Strategies Unit 4 – Incident Management System</p> <p>You will need to complete each of the modules listed, including the assessment activities prior to participation in the face-to-face classroom components.</p>
---------------	--

<p>Part 2</p>	<p>2x Classroom Days</p> <p>Time: Both days 8.30am-5pm</p> <p>Please arrive 15 minutes early to ensure the days scheduled activities are not interrupted.</p> <p>Location: AMOSC, O'Connor House, Lot N13a Rudderham Drive, North Fremantle 6159. Map</p> <p>You will need to make your own way each day to the AMOSC Fremantle office.</p> <p>Public transport options are limited, however there is plenty of onsite parking and taxis are available</p> <p>Inclusions: Onsite course catering is included as part of the course fee.</p> <p>Clothing requirements: Each day you will be spending time in the classroom. Standard dress for classroom activities is neat casual dress.</p>
<p>COVID-19</p>	<p>To fulfil a duty of care for all AMOSC staff, contractors and participants, it is a requirement that all course personnel (staff, contractors) and participants attending face-to-face training onsite at an AMOSC training facility are fully vaccinated for COVID-19.</p> <p>AMOSC training is supported by an AMOSC Health & Safety Plan and a COVID-Safe Plan. Included within are strict health and hygiene protocols to help prevent the spread of COVID-19 while attending the AMOSC training facility.</p> <p>You will be required to complete an AMOSC Disclosure of Vaccination status form and a COVID Self-Assessment declaration form prior to attending site -this will be emailed to you.</p> <p>If you have any symptoms prior to the course, please do not attend - contact 03 5272 1555.</p>

Further Details:

Contact	<p>For further details, please contact AMOSC, on amosc@amosc.com.au or 03 5272 1555.</p> <p>After hours and emergency assistance: 0438 379 328</p>
----------------	--

Required actions by participant:

No later than 2 weeks prior to course start date.	1. AMOSC Disclosure of Vaccination status	Complete form and return to amosc@amosc.com.au
Within 24hrs of attendance – prior to arrival on site at AMOSC facility.	2. COVID Self-Assessment declaration	Complete form and return to amosc@amosc.com.au
